### Animals Connecting People

Connecting clinicians, professors, teachers, and students to experts with research and resources in the use and impact of animals in the therapeutic world. Learn the many ways to incorporate animals toward improving human quality of life.

- Compare and Contrast the Traditional Service Dog Model and the Psychiatric Service Dog Therapeutic Model
- Explain how Psychiatric Service Dogs may be trained to assist with refractory symptom management
- Describe how Psychiatric Service Dogs are optionally trained
- Identify Psychiatric Service Dog Research
- Know how to screen clients for suitability for Psych Dog Partnership
- Identify federal laws that govern service dog public access
